## Company Overview

Halcyon Shades is a *small business* that fabricates custom-made, energy-efficient transparent window shades for commercial, institutional & residential applications. We fabricate a variety of standard cloth and vinyl roller shades. Our shades qualify with FRPCON DELTA requirements. We are able to design high-end solutions for challenging window configurations. Our radiant barrier solar shades will:

- Block 83% of heat transfer
- Reduce 97% of the glare
- Eliminate 99% of UV rays
- Keep 100% of the view and natural day light

## Differentiators

- Our shades work with your building envelope as part of your HVAC solution.
- Reduce energy costs up to 23%.
- Highly customizable to your needs: e.g. neodymium brackets, skylights, panel shades.
- On-site measurement and installation available.
- Limited Lifetime Warranty
